

GCML @ 42 Proposed Multipurpose Building

FIRST PHASE TARGET: Foundation and Ground Floor Completion, Cost US\$136,000

WHY GCML NEEDS A NEW BUILDING?

- GCML is positioning herself to meet a tremendous need in the 21st century

WHAT WILL BE THE NEW BUILDING COST?

- Our best projection for the construction of the new GCML Head Office is 770,000 USD

WHAT WE DO?

The major goal of the GCML is: “Fulfill the Great Commission by launching Spiritual Movements everywhere.”

HOW WE DO IT?

The major strategies applied for realizing the objectives are:

- ✓ Connecting with the lost everywhere
- ✓ Life-changing discipleship to transform society
- ✓ Multiplying leadership for the church
- ✓ Local resource development for the harvest

YOUR INVOLVEMENT

We consider you as a current or potential ministry partner. This is an invitation to join us in what we believe is a great work, one which will enhance movements and accelerate evangelization of the Liberian society, a society desperately in need of positive change.

To give your moral and financial support for the erection of the new National Headquarters of the Great Commission Movement of Liberia click the “Make the Difference” Investment Icon at the bottom of our website homepage and follow the directions or

WHY SUPPORT THIS BUILDING PROJECT?

The erection of this building will provide among others:

- ✓ A suitable environment to conduct life-changing discipleship to transform society
- ✓ a free library for Christian leaders, students and the public
- ✓ host foreign guests and provide students with the opportunity to interact with these guests
- ✓ significant income generation for the GCML to facilitate her mission of sharing the gospel
- ✓ capacity building through seminars, conferences, workshops etc
